WAGGA WAGGA

Just recently The Party Girl World was lucky enough to be able to donate our services to The Ronald McDonald House Charity (RMHC) Wagga and attend their family fun day! The day was jam packed and our Wagga Party Girl's had a blast balloon sculpting for the high energy crowd that attended the fundraiser. All funds that were raised from the event went directly to supporting RMHC Wagga through Jen Galloway's Wagga Takes 2 Mission.

WHAT RMHC WAGGA IS ALL ABOUT...

Ronald McDonald House Wagga and other fellow houses provide accommodation and support for families with sick or injured children under the age of 18years, parents of high-risk pregnancies and families with premature babies being treated in hospital. Today, RMHC is well and truly global, with 365 Ronald McDonald Houses in 43 different countries and regions across the world. RMHC is a non-for-profit charity that relies heavily on fundraising events, our amazing volunteers and community or business donations.
